Forecast For East of England
Issued by Met Office Exeter
at 1600 on Monday 18 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy, wet and increasingly windy.

This Evening and Tonight:
Soon becoming cloudy and breezy as rain spreads in from the west. Spells of rain will continue for much of the night, turning heavy at times. Becoming largely dry later in the night, but increasingly windy. Minimum temperature 5 deg C (41 deg F).

Tuesday:
A mostly dry morning with bright spells, but some rain is possible in the north. Cloudier in the afternoon with outbreaks of rain spreading eastwards later. Mild, but very windy. Maximum temperature 10 deg C (50 deg F).

Outlook for Wednesday to Friday:
Windy Wednesday with further spells of rain. Colder with gales for a time into Thursday, ahead of a drier, less windy, but colder end to the week, with frosts returning.
